Y AFTER SCHOOL, Y SUMMER CAMP, and YMCA EARLY LEARNING CENTERS **When school is out, the YMCA is in. . . .**

Dear Parents:

Welcome to the YMCA! We are pleased with your decision to select one of our outstanding Y After School, Y Summer Camp, or Early Learning programs for your child care needs. Operating since 1988, the Y After School and Y Summer Camp is sponsored by the YMCA of Virginia's Blue Ridge in cooperation with Roanoke City Schools, Salem City Schools, Botetourt County Schools Lexington City Schools, and Rockbridge County Public Schools

You will discover that our staff bring years of experience and enthusiasm working with children to our program. We're excited about our Y After School, Y Summer Camp, and Early Learning programs and look forward to providing you and your child with quality programming and care. As always, we value your comments and ideas and personally invite you to share those with us.

A signed acknowledgment of the financial and cancellation agreement, and enrollment forms must be completed at the time of registration and prior to attending. A copy of your child's immunizations, physical and birth certificate must also be provided with that information at each program change. We collect this information electronically using a secured software called My Y Account. When you receive emails from My Y Account, please open the email and complete the process. Once the process is completed you will no longer receive these emails and your child can begin attending. Please take the time to carefully read the YMCA Parent Handbook which provides essential information.

Our mission is to make the Y After School, Y Summer Camp, and Early Learning Programs a happy and memorable experience for your child while promoting academic success, healthy movement, and nutritional support. If we can be of any further assistance, please contact us.

In the "Y" Spirit,

Y After School, Summer Camp, and Early Learning Team

REGISTRATION:

Parents must submit registration paperwork electronically through their Y account to 100% completion, pay the first week's tuition and the non-refundable

registration fee 72 hours prior to their child starting the program. Parents are also required to provide your child's birth certificate, and a current copy of the complete Virginia School Entrance Exam including physicians signatures at each program change as part of the My Y Account completion process. Enrollment information is available on our website at www.ymcavbr.org or at the YMCA Welcome Desks. Registration fees are non-refundable.

FINANCIAL ASSISTANCE:

Because our mission is to serve all people, we make financial aid available to parents who want to participate in Y programs. To be considered for financial assistance, parents must first apply through the Department of Social Services. The following scenarios will apply:

If you are approved at the Department of Social Services, you will become a DSS participant in our program, please review responsibilities on the following page. If you are approved at DSS but put on a waitlist, you will need to provide the YMCA with a Notice of Action letter from DSS verifying your approval and co-pay amount. The YMCA will at this time offer you financial assistance.

If you are not approved at the Department of Social Services, the YMCA may be able to offer you financial assistance based on a sliding scale.

TUITION PAYMENT:

We offer two options for payments through an automatic payment processing system. The YMCA only accepts payments through draft options from a checking account or credit card (VISA, MC, or Discover). The YMCA has a no cash policy. Tuition is due the Monday prior to the week of service for YAS, Summer Camp, and Early Learning programs. The weekly tuition that you currently pay at your child care location is due each week during the school year, regardless of holidays, vacations, school breaks, or snow days.

WITHDRAWAL:

To properly effect the cancellation or change of this agreement for both YAS and Summer Camp, parents/guardians are required to give a two week written notice submitted to the YMCA office. If no withdrawal notice is received, payments will continue as scheduled regardless of the child's attendance.

Registration fees are non-refundable. To ensure the integrity of our program, parents who terminate or change enrollment prior to holiday breaks or weeks less than 5 days, will be charged a \$150 fee.

PAYMENTS:

The YMCA is a non-profit organization and depends on donations to help support our programs. Because of our obligation to our donors and participants, we must be fiscally responsible in our dealings. Payments for the YMCA are due every week of the school year and during your selected summer camp weeks, regardless of holiday breaks or vacation.

Payments are due in advance for the upcoming week and will be drafted automatically the Monday prior to service. It is the payors responsibility to verify that payment is successfully completed. If your payments are not paid or declined, you will be notified by email as a courtesy and a late fee of \$35 could

be charged. If no payment is received by Monday at noon, your child will be removed from the program and not permitted to stay until payment is made.

Fees are not reduced for days of illness, early pick up, suspension due to behavior problems or absences due to participation in other activities. Parents are responsible for tuition fees whether a child attends the program or not.

DEPARTMENT OF SOCIAL SERVICES RECIPIENTS:

We work very closely with our local Department of Social Services to ensure that every family receives the opportunity to participate in our after school and summer camp programs. However, in some circumstances the Department of Social Services does not reimburse the YMCA when attendance is not swiped for. In those cases the parent/guardian will be responsible for paying a no swipe fee of \$14 during the school year and \$29 during summer camp.

Each Friday, the payment method (credit card or bank account) on file will be charged for any outstanding no swipe fees.

AFTERSCHOOL AND EARLY LEARNING:

Parents are required to record DSS attendance daily. Physically swiping or calling in DSS attendance is required of parents. Please bring your card with you every day. If your child is not swiped in and out before you leave each day, the child will not be permitted back in the program until all swipes are up to date.

SUMMER CAMP:

Parents are required to record DSS attendance daily. Physically swiping or calling in DSS attendance is required of parents. Please bring your card with you every day, if your child is not swiped in before they are signed in, they will not be permitted to stay for the day.

The following circumstances will result in a no swipe fee:

If your child is authorized for less than 5 days per week, any days attended beyond the allotted amount of days will result in a no swipe fee.

If your allotted days of absence have been used, and your child is absent, you will be charged a no swipe fee.

If the number of authorized days has expired on your card, and your child attends the program, you will be charged a no swipe fee.

If your child is absent or it is a holiday and you do not back-swiipe for that day, you will be charged a no swipe fee.

NON-SUFFICIENT FUNDS:

Parents are required to notify our office immediately upon notice of an NSF transaction. Parents must also pay a service fee of \$25.00 per item returned. The fee represents a \$25.00 bank charge. Children are not permitted to attend unless the returned item is paid in full.

Y AFTER SCHOOL and Early Learning END OF YEAR PRORATION:

Y After School will not prorate fees due to the school year ending prior to the last day of the week.

TAX INFORMATION:

Parents are emailed a childcare tax statement by January 31st to the email address listed on the YMCA account.

RULES:

We consider our Y program participants STARS! STARS Rules are an important part of our program and staff will go over rules often throughout the day. Below you will find our rules:

Stay quiet when adults are speaking.

Talk with an inside voice.

Always walk indoors.

Respect yourself, others, & your school.

Stay safe and have fun!

INCENTIVES:

Here at Y, we recognize positive behavior. Each site/location incentivizes children in their own way. Please connect with your child's site leader to determine their incentive plan.

DISCIPLINE AND DISMISSAL:

Children are entitled to a pleasant and harmonious environment at our Y programs. We cannot serve children who display chronically disruptive behavior.

Chronically disruptive behavior is defined as verbal or physical activity which may include, but is not limited to such behavior that: requires constant attention from the staff, inflicts physical or emotional harm on other children, abuse of the staff, ignores or disobeys the rules. If a child cannot adjust to the Y program, the child may be discharged. The Y reserves the right to discharge a child immediately.

The Y tries to prevent discipline problems from developing by providing a program of interest to the children and allowing for a variety of choices among activities. When specific problems occur, the staff will try to allow the children to experience the logical and natural consequences of their action. Staff talk with children about their actions; encourage them to work out conflicts with other students guided by the staff; divert their behavior; separate children and/or separate from specific activities.

Final Action Plan for Disruptive Behavior:

- A misbehaving child may be given a 5 (five) minute time-out, in order for him/her to cool off and think about his/her actions.
- If a child's behavior continues to be challenging, an incident report may be written. Parents will read, sign and return the report, which will be filed in the child's records.
- If a child receives another written behavior-related incident report, a meeting will be scheduled with the Child Care Director and staff to determine what action will be taken. Children may be suspended for disruptive behavior.
- If a child is suspended and reinstated in a Y program and receives a 4th (fourth)

behavior related incident report, the staff and Child Care Director may suspend the child immediately if necessary, notifying the parents to come and get the child. The staff may make such recommendations to the Child Care Director as appropriate, including discharge without the right of reinstatement.

- A child may be suspended immediately for two days for any undesired behavior, which includes verbal abuse or physical abuse with the intent to harm.
- Parents may be called to pick up their child immediately if they continually exhibit negative and/or disruptive behavior.

Our staff will not use corporal punishment; will not isolate children out of sight or sound of the group; and will not deprive any child of food, water or bathroom privileges as a part of punishment. Reasonable efforts will be made to assist children in adjusting to our program.

At no time during our programs are parents allowed to discipline children other than their own. If a situation arises concerning another child, please speak to a staff member and not the child. The YMCA has the right to dismiss a child from the program because of a parent's/guardian's inappropriate behavior or conduct.

Y AFTER SCHOOL IS NON-THERAPEUTIC:

Y After School expects all participants to function in a group of 18 children. We are unable to provide one-on-one care to participants. Y After School has the right to dismiss a child from the program if the child is unable to function in a group setting.

NON-PICK UP:

If a child has not been picked-up, at 6:01 pm the staff will start calling both parents/guardians. If parents/guardians cannot be reached, our staff will call the two emergency numbers on file. If at 6:30 pm the child is still at the site, the local police or Department of Social Service will be contacted.

ARRIVAL AND DEPARTURE:

Parents must use their initials to sign in and sign out, indicating time of pick up and departure at Y programs each day. Those picking up children should have their ID available upon arrival.

Our programs do not permit children to go home unaccompanied- the only people your child will be released to are those listed on the enrollment forms. If someone not listed is going to pick up your child, a written notice must be given to the staff in advance. If an emergency arises, a phone call from a parent will suffice. Staff will ask for photo identification upon every pick-up. Any person picking up a child from our programs must be 18+ years old except for siblings. Siblings 16+ years old are permitted to pick up your child with prior written authorization or the sibling may be listed on the enrollment forms. The sibling picking up your child must provide staff with a valid driving license or an identification card upon arrival. If your child attends extracurricular activities or has any other kind of arrival/departure time change within the period he/she is enrolled in the program, you must provide the staff with written permission. Our program must have a copy of all appropriate legal paperwork when the custodial parent requests the program not to release the child to the other parent.

PARENT VISITATION:

You are welcome to visit the Y programs at any time without an appointment. Sometimes when you pick up your child, the staff may be too involved with other children to engage in an extended conversation. Feel free to talk to them informally or contact the Director to schedule a more formal meeting. Some parents enjoy lingering at the program and watching or participating in the activities for a while. You are encouraged to do so when it is convenient for you. For liability and supervision reasons, it is not possible for non-enrolled children visiting the program to take part in activities.

Y STAFF:

Y programs are supervised by the Child Care Director. The ratio of Y After School and Y Summer Camp staff falls between 1:10 and 1:18 ratio.

STAFF QUALIFICATIONS:

We are a Licensed Child Care provider and operate at the highest safety standards. All staff are required to complete a thorough screening process, as well as 30-plus hours of training, including child safety training, first aid and CPR, and more. If you have further questions about camp staff qualifications please contact the Camp Program Director.

MAT CERTIFIED STAFF:

At Camp Kirk, Camp Roanoke, Camp Botetourt, Camp Rockbridge, Camp Salem and all YAS sites, we always have MAT Certified staff on site at all times who are trained and authorized to administer medication for campers.

At Camp Kirk and Camp BoCo we have Diabetes MAT certified staff available that are trained and authorized to assist diabetic campers.

REPORTING OBLIGATION:

As a licensed child care provider, we are required by law to report to the Virginia Department of Social Service and Child Protective Services anything we suspect to be child abuse or neglect. Our staff receive special training on this topic from Child Abuse Prevention Council and the YMCA of the USA. This also includes the reporting of parents who appear to be impaired by drugs or alcohol.

MEDICAL CONDITIONS:

If your child has a known medical condition (asthma, diabetes, seizure disorder, etc.) or any food allergies, Y After School requires a written and signed Action Plan from your child's physician that is uploaded electronically to your child's My Y Account profile. Your child may not be enrolled until we have this plan in place.

ILLNESS POLICY:

Y programs are not designed for sick children. Your child should not be sent to any program, and will be sent home, if any of the following conditions are apparent:

A temperature of 100.4 degrees or more within 24 hours

Vomiting or diarrhea

Rash (if cause is unknown)

Suspected communicable disease

Severe cold with fever, coughing, unclear mucus

Bronchitis or other throat infections such as strep

If a child becomes sick at the Y, suffering from the above complaints, a contagious disease or an accident requiring medical attention, the parents will be notified to pick up the child immediately. If the parents cannot be reached, the emergency numbers will be called. Immediate arrangements must be made for picking up a sick child. A child will be isolated away from other children until a parent or guardian arrives.

Parents must notify the Child Care Director if your child has a communicable disease such as chicken pox, pink eye, strep throat or lice. If a child in our program has contracted a communicable disease we will contact all parents within 24 hours. If your child comes in contact with a life threatening disease, please contact our office immediately.

HAND WASHING AND TOILETING:

Children are required to wash with soap and running water after toileting, after any contact with blood, feces or urine as well as before and after meals. Staff are required to wash their hands with soap and running water prior to serving snacks, before and after helping a child use the toilet or any bodily fluid contact. If running water is not available, a germicide-cleaning agent administered per manufacturer's instructions may be used. The Y staff are not authorized to assist children in the bathroom or assist children in changing clothes if a bathroom accident occurs. Due to the licensing stance of Y After School, we are unable to provide care to children with continuous bathroom accidents.

MEALS AND SNACK:

The Y After School program offers supper to our at-risk after school locations through the Child and Adult Food Care Program (CACFP) at no additional cost. At our non-at-risk after school locations, a snack will be provided daily that includes 2 food groups, which consist of fruits, vegetables, grains and dairy.

Menus will be posted at each site monthly, and will begin the first day of the program. If a child is allergic to a specific food or beverage or cannot eat the planned meals for physical reasons (i.e. loose tooth and an apple) please make alternative snack arrangements. The Y provides a serving size that is listed by the Department of Social Service, however second helpings may be allowed. If your child would like to supplement with food from home, please remember it must be NUT FREE and be labeled with the child's name and a date.

Children attending a Y program are required to bring 2 NUT-FREE snacks and a NUT- FREE lunch. Staff will be unable to heat or refrigerate any food brought in. Please label any and all food and drink brought into Y programs with your child's name and the date.

SUNSCREEN AND INSECT REPELLANT:

The parent will provide an in date bottle of sunscreen labeled with your child's name, and any specific instructions. The sunscreen will be kept away from children, but not locked. Staff will be trained if the skin product is prescribed. If a parent does not want sunscreen applied to their child, a written and signed statement must be submitted with enrollment forms. We ask that parents apply sunscreen prior to drop off.

OUTDOOR PLAY:

As the leader in youth development, we understand the importance of providing our participants with time for active play and sports. Getting kids moving and having fun is essential to their overall health. Children will be allotted at least one hour of active play time per day in our YAS programs and longer, weather permitting, during the summer months. A shady area will be provided to play while outside on intensely sunny days. Closed toe shoes are a strong recommendation in all of our Y programs. If a child does not wear closed toe shoes, they might not be able to participate in every activity.

REST PERIOD:

Rockbridge and Botetourt Early Learning Center provides all day care and is required to provide a rest period for children. Cots are provided but parents must provide a bottom and top cover. Bedding will be sent home each Friday to be laundered. Children are expected to lay quietly on their cot. They may lay to rest with a quiet toy or book if they are not asleep after 30 minutes. After 90 minutes, any children sleeping will be gently awakened.

The YMCA is responsible for transportation to and from your child's site during field trips. Safety procedures are implemented to ensure the well being of your child during these activities. Children will be transported in school buses, and remain seated with their arms, legs and head in the vehicle. There is always at least 1 staff in the vehicle with the children as well as a list of the children's names, emergency numbers and a first aid kit. Each location will have a posted sign showing the location, route and phone number for each field trip destination. With the exception of preschool camp at Camp Salem, all children at the site will attend the field trip. If for some reason you don't want your child to attend, or have a time conflict, you will need to make other arrangements for

child care. For supervisory reasons, parents are not permitted to drop off or pick up their child from a field trip location. Staff will frequently communicate with the YMCA office when on a field trip.

In the unlikely event of an accident while transporting children to or from a field trip, the YMCA staff will first ensure the safety of the children and then will contact each parent.
